

# CLARE COLLEGE

CONFERRING

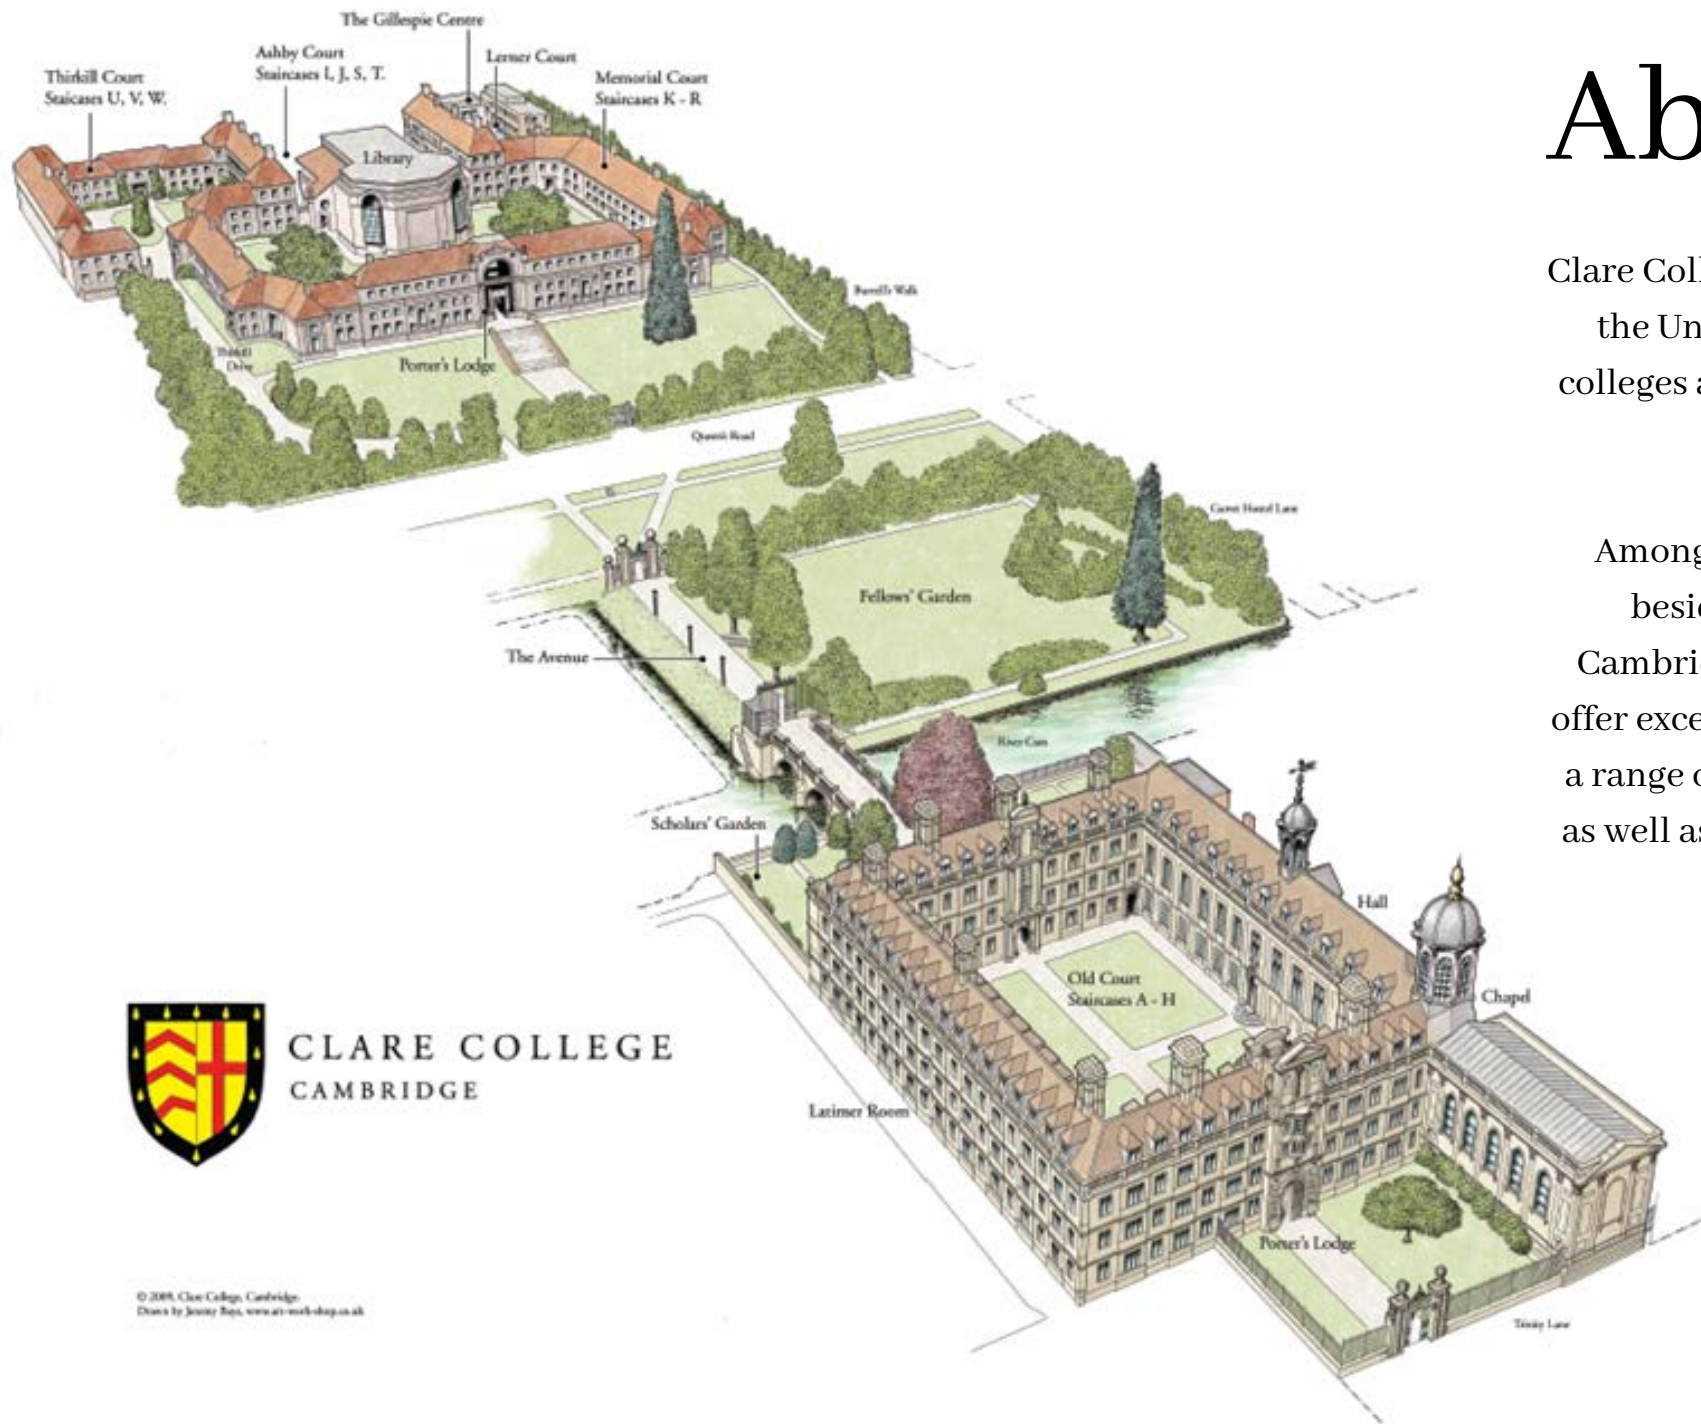

A leading Cambridge conference venue

# About us

Clare College is the second oldest of the University of Cambridge's colleges and is located in the heart of Cambridge.

Amongst picturesque gardens beside the River Cam and Cambridge 'backs' Clare College offer excellent conference facilities, a range of first-class food options, as well as on-site accommodation.

CAMBRIDGE

# Fine Dining

Our Catering Manager and Head Chef will be delighted to work with you in planning your lunch or dinner menu for your delegates with fine wines chosen from our cellar.

We can help you source flowers and entertainment to complement your meal.

Our magnificent 17th century Great Hall seats 142 and is a stunning venue for large dinners. The Small Hall is a more intimate room seating up to 50. These rooms are available during vacations. The Garden Room, available year round, offers a more contemporary venue and seats up to 96.

# The Gillespie Centre

The RIBA award winning Gillespie Centre opened for business in January 2009. The light, airy design and flexible meeting rooms offer all the ingredients for you to host memorable events and conferences.

The Centre, built to the highest standards of sustainability, uses solar thermal panels and a ground source heat pump for efficient heating and cooling. Energy consumption is kept to a minimum with extensive insulation and large, solar-coated, south facing windows which limit heat gain in the summer, keeping delegates cool at all times.

The Gillespie Centre is fully equipped with the latest technological facilities and supported by our knowledgeable, trained AV team who are available throughout your conference to assist with your individual needs.

# Accommodation
